Pre Service Questionnaire

Please return this form to Stanford HPL at least 48 hours prior to your appointment
Fax: 650.725.2607

This questionnaire is divided into three parts; client information, health and medical questionnaire, and athletic background and goals. This questionnaire is an integral part of our ability to provide you with the best service possible as well as ensure that you are in a fit and healthy state to complete our services. Please take the time to complete as much as possible and be sure to return the questionnaire to Stanford HPL at least 48 hours prior to your appointment.

PART 1 – Client Information

The first part of this form is to be used for our records and to better understand our client base, thus enabling us to serve you better.
